that you would prefer to sit on? (See the Audit of Representatives on PAVS website for a full list).....

.....
Please be aware that the relevant planning/strategy group will have the final decision on the acceptability of the nominee(s).

Election of Representatives

Following on from the last Network Event, we are please to invite nominations for representatives. We have some vacancies to be filled, but would also like to hear from anyone who is interested in becoming a rep as we are looking to build up a pool of willing, skilled reps, allowing opportunities for shared representation and alternates so that the task is not too onerous.

Representatives can stand for the voluntary sector generally, or for their area of special interest, such as older people or mental health. There are also opportunities for carer and service user representation, and if you work with anyone who may be interested please let them know and invite them to respond.

If you wish to nominate someone else, please ensure you have their permission.

All nominees will be contacted and invited to attend for training, where further details will be given about the roles and responsibilities of a representative, the processes involved in feeding back, and support available.

Nomination forms should be completed and returned by Friday 28th March, allowing representatives to undertake training and take up positions during April.

Are you interested? If so, please fill out the reply slip overleaf. For any further information please contact Louise or Michelle in PAVS 01437 769 422.
